

With today's HIGH GAS PRICES it is important for your employees and potential employees to know your company is offering transportation benefits!

Don't miss the opportunity to be on South Florida's list of  
**BEST WORKPLACES FOR COMMUTERS<sup>SM</sup>**  
If your company is subsidizing transportation costs for employees,  
enrolling in this program is just a phone call away...

Established by the U.S. Environmental Protection Agency (EPA) and the U.S. Department of Transportation (DOT), this program publicly recognizes employers whose commuter benefits reach the *National Standard of Excellence*. Participating companies earn the designation Best Workplaces for Commuters<sup>SM</sup>—a mark of excellence for environmentally and employee-friendly organizations.

Your company will be able to use the BWC logo (seen above) on job ads and recruitment materials.
